

Installation

Welcome to eSobi Mobile for Google Android!

In order to assist you using eSobi Mobile, we've created a simple page to guide you through.

If download through QR Code Reader:

1. If you do not have QR Code Reader on your mobile device, please download from <http://code.google.com/p/zxing/>.
2. Start the QR Code Reader application when installation completed.
3. Go to eSobi official website – Download, take QR code photo with your mobile device.
4. eSobi Mobile will now begin to download and install.

***If download from Android Marketplace:**

1. Find eSobi Mobile on the Android Marketplace.
2. Sign in with your Google ID.
3. Click on the install button to begin.

***eSobi Mobile will soon to be released on the Android Marketplace.**
